

Nordic Cable Tray and Busbar Manufacturer

Overview

We know cable management systems. Hilding Group consists of the three companies Nordic Wire Tray, Hiltec and Hilcon. Cable trays has an overall mission: to organize cables. In order to successfully meet the market's demands, high requirements and adaptations to various industries, a broad and well-thought-out range is required. Nordic Wire Tray's cable laying system consists of wire trays sold under the X-Tray. We specialize in manufacturing high-quality cable support systems. Our product range includes galvanized steel and acid-proof steel cable ladders, cable trays, wire mesh trays, lighting tracks, and aluminum-frame cable management systems, socket poles, and the unipro® lighting track system. Material Hybridization: Combinations of powder-coated metal, stainless steel, and solid wood or MDF are prevalent. New name, new look, same Nordic quality We continue to drive innovation in cable. Our cable management systems are designed to withstand the toughest conditions in C5-M environments, while delivering cost-effective and flexible solutions for platforms, vessels, and ports.
