

# Philippine civilian optical cable manufacturer

## Overview

Philippines Fiber Optic Cable Network Ltd. (PFOCN), incorporated in 2018 in Manila, is the only independent fiber optic cable (FOC) communications infrastructure operator in the Philippines. The company not only sells fiber optics but also provides complete ICT solutions, including planning, installation, and maintenance. With the emergence of a progressive nation, PHILFLEX - as the leading manufacturer of quality wires and cables in the Philippines today - plays a vital role in accelerating the country's aspirations toward economic and technological growth. Asia's premier manufacturer of world-class wires & cables. The Philippines, with its rapidly growing digital infrastructure, is home to several reputable fiber optic cable suppliers and manufacturers. At our company, delivering high quality products and services is our passion. The highest number of Fiber optic products suppliers of Philippines are in Metro Manila and Cebu with 15 businesses and 8 businesses, respectively.
